ABOUT ME

TECH ENTHUSIAST, ENTREPRENEUR, ENGINEER, *Born and Raised in Rwanda* July 5, 2004

An aspiring purpose driven tech founder with a vision of building intelligent systems that redefine what machines can do on Earth and beyond. My endless curiosity, discipline and adaptability enable me to collaborate with peers as leader or team player to create and sustain a fast paced challenging environment. As I have been told "He seeks new challenges", my eyes are always set to the next one

WORK EXPERIENCE

KIREHE IMIRASIRE COMPANY LTD, *Operations Assistant Intern* Jul 2023 - December 2025

Worked as assistant to the Operations Manager in logistics and transportation department. My tasks included dispatch, driver management, customer follow-up and communication, ensure company vehicles are well maintained. This opportunity allowed me to acquire leadership skills, adaptation, communication skills

PROJECTS

PERSONAL PORTIFOLIO

May 2025

Gisma University of Applied Sciences, Berlin, Germany

During a practical class in my first semester I built my personal brand online presence through LinkedIn. I used LaTeX to build my CV. I built my personal website using HTML 5, CSS 3, and Javascript which I host via Github at this address.
